

# Schoolbags for kids

## They also receive stationery and paper products

**T**HE Ronald McDonald House Charities (RMHC) Malaysia presented new school bags to children from the Divine Mercy Home in Kepong and Trinity Children Centre in Petaling Jaya.

In addition, the children also received stationery and paper products contributed by Campap Stationery and candies from Nestle and Teck Ping Chan Agriculture Sdn Bhd.

At a recent Christmas party with the

40 children, McDonald's chief happiness officer Ronald McDonald held a story-telling session about the *Pied Piper of Hamelin*, with a humorous twist.

The children had a whale of a time challenging each other in the name of fun.

RMHC Malaysia president Chan Chee Chin said the event was organised after they learned about the children's urgent need of school supplies-

for the 2011 school year.

"Christmas is all about giving and true to the saying 'It is more blessed to give than to receive', we are glad to give back to the community.

"We will continue our efforts to contribute to local communities," he added.

The homes also received RM2,000 each from RMHC and educational storybooks sponsored by Future Ace Publishing.
